Immediate Release

SHALLOTTE, NC – With the approach of Thanksgiving and Christmas, we offer thanks for all we have. Many also choose to donate time, attention, and resources to others. In that spirit of giving, The Brunswick County Homeless Coalition (BCHC) invites the public to the sixth consecutive year Hunger and Homeless Banquet and Soup Luncheon, November 18, 2017, from 10am-2pm, at the Brunswick Senior Center at Leland, 121 Town Hall Dr. NE, Leland, NC. The doors open at 9:30am. The focus of Brunswick County's registered event observing National Hunger and Homelessness Awareness Week is "Ending Homelessness in Brunswick County." Speakers will include government officials, state and local community leaders and formerly homeless individuals.

Come learn about the problems and solutions to homelessness. Admission is free. Tax-deductible contributions are welcome. Visit our website, www.brunswickhomeless.com, to reserve your space and help us plan. Walk-in admissions the day of the event are also welcome.

The National Coalition for the Homeless and the National Student Campaign Against Hunger and Homelessness annually sponsor Hunger and Homelessness Awareness Week. In 2017, during the week of November 11-19, more than 700 colleges, high schools, and community groups across the country will come together to raise awareness about the pressing issues of hunger and homelessness.

Brunswick County Homeless Coalition (BCHC) is a group of volunteers from faith-based ministries, not-for-profit organizations, local agencies and concerned citizens coming together for the greater good of Brunswick County's homeless and in-need population: advocating, educating and providing resources for the homeless and those in need. BCHC meets on the second Tuesday of the month at Brunswick Senior Resources, Inc. in Shallotte, NC. We welcome your attendance and participation.
